### STATEMENT OF FACT AND POLICY

The Commissioner of the Maine Department of Marine Resources promulgates the new emergency DMR Regulation 95.10 P, Closed Area No. 2-A, York Harbor, York. This new rule describes the seasonal closure in York Harbor, which was previously described in Closed Area No. 2. This is an administrative change.

Department personnel have determined the seasonal area needs to be closed from May 1 through November 14 due to the presence of potential boat discharges, which pose a threat to public health.
